

## Certificate of Conformance

### **LEAD-FREE BRASS BALL VALVES, 600 LB SWEAT** Series 8146L, 8156L, 8171L, and 8176L

Lead-Free Brass Ball Valves bearing the SCI logo, are manufactured under the supervision of ASC Engineered Solutions and conform to the following specifications:

Pressure Rating	600 lb. WOG / 150 lb. WSP 600 lb. CWP (8176L only)
Material, Body	Forged Brass, ASTM B36, C28000
Material, End Cap	Forged Brass, ASTM B36, C28000
Material, Stem	Brass, ASTM B36, C28000
Material, Ball	Brass, ASTM B36, C28000, Chrome Plated Brass, ASTM B124, C37700, Chrome Plated (8146L)
Material, Seat/Seal	PTFE
Material, Handle	Steel, ASTM A283, Zinc Plated
Material, Nut	Steel, ASTM A283, Zinc Plated Steel, AISI-1010
Approval	NSF/ANSI 372 NSF/ANSI 61 (8156L only)
Specifications	MSS SP-110 (8171L, 8176L) WW-V-35, Type II, Class A (8171L, 8176L)
