

Solutions for a stronger, safer, better world

ASC Engineered Solutions is your **Total Solutions Partner**. We support our customers throughout the entire construction lifecycle process.

We do this through our industry-leading product portfolio, design tools, services and the best team of professionals. Our wide product offering makes it easy to work with a single, trusted supplier for every project.

We've made it easier than ever before for you to design, specify and create a bill of materials using ASC's products and at no cost to you. Powered by our wealth of product data, AI technology, and design files – we offer several free tools to put all of ASC at your fingertips.

We want to be your partner of choice, no matter the project or its challenges, from conception to construction and beyond. ASC has products, tools, and services that meet your unique needs.

ASC Engineered Solutions Brands

Markets Served

- Commercial & Residential Construction
- Mechanical & Plumbing Systems
- Fire Protection
- Process Industries
- Chemical Processing
- Power Generation
- Nuclear
- Oil & Gas
- Refining
- Aerospace
- DoD & DoE
- Industrial
- Food & Beverage
- Pulp & Paper
- Water & Wastewater
- Mining

Applications

Pipe Connections

- Water – HVAC, Plumbing, Industrial
- Oil and Gas – Upstream, Midstream, Gas Utility
- Chemical – Processing, Distribution
- Food & Beverage – Sanitary
- Other – Mud Line, Slurry

Fire & Fabrication

- Fire Suppression – Threaded, Grooved, Valves, Flexible Sprinkler Hose, O-lets, Standpipe Equipment, Accessories
- Fabrication – Welders, Groovers, Threaders

Support Systems

- Pipe Hangers for steel, copper, PVC, CPVC, stainless and insulated piping systems
- Strut and Strut Fittings for trapeze hangers and racking applications
- Rooftop Support System
- Cable Hangers for duct and piping
- UL Listed and FM Approved Hangers and Seismic Bracing for fire sprinkler applications

Flow Control

- Manual Shut-Off Valves, Remote On-Off Isolation Valves, Control Valve Assemblies, and Actuation
- Reliable and innovative solutions for general services to mission critical applications

Performance Products & Services

- Custom Engineered Piping Supports, Hangers, Dynamic Restraints and Associated Fabrications
- On-site field repair services of valves and snubbers

Products & Services

Flow Control

Industrial Valves

- ASME Class valves
- Ball Valves
- Butterfly Valves
- Gate Valves
- Globe Valves
- Check Valves

Actuators & Controls

Commercial & Residential Valves

- Ball Valves
- Butterfly Valves
- Gate Valves
- Globe Valves
- Check Valves
- UL/FM Valves
- P&H Valves
- Strainers

Fire Protection Products & Fabrication

Seismic Bracing

Welded Outlets

Flexible Sprinkler Hose & Brackets

Fire Sprinkler Accessories

Fabrication Equipment

Support Systems

Pipe Hangers & Supports

Bolted Framing
